THE FUSION COLLECTION

The Fusion collection

designed by Morten Svendsen

Fusion collection, Titan chair in walnut oil.

The elegant, modern look is what made the Fusion table win the German Design Award Special 2021.

The boat shaped, fixed top is available with either straight veneer, Intarsia patterned veneer or a wide variety of hard-wearing laminated finishes in a wide choice of colours. The elegant legs have a black metal centre which can be veneered in the same wood as the table top or just black.

All doors and drawers are soft-closing. All cabinets are also beautifully veneered at the back, which means they can be free standing.

Enjoy!
